RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The following is a response to the restriction requirement dated October 3, 2003. Please provide any extensions of time which may be necessary and charge any fees due or credit any overpayments to Deposit Account No. 08-1394.

The Office Action indicated that the application contained claims directed to two patentable distinct inventions. Without limitation on the filing of divisional and continuation applications, applicant hereby elects Group I, claims 1, 18-26 and 28-34. Furthermore, claim 1 was indicated as being generic to Group I. However, as requested, applicant hereby elects Species A, Claims 18-26 and 28-31 directed to programs for guiding laser beams should not generic claim be allowable.

It is respectfully submitted that the application is now in condition for further examination and such action is hereby respectfully requested.

Respectfully submitted,

J. Andrew Lowes
